2-3 June 2012

9am-4 pm

Reiki Healing level 1 & 2

a weekend of Reiki healing.

Reiki - Kanji

This weekend will be facilitated by *Beth Goldring*, Reiki Master and longtime trainer and practitioner.

Learn about the origins of Reiki, what it is, how it works, how to use hand positions, and receive the level 1 and 2 Reiki attunements so you can immediately use it for healing yourself and others. Practice during these days and develop your healing capacity.

This weekend offers an introduction to healing through Reiki. Reiki is a form of complementary therapy – a safe, gentle, non-intrusive hands on healing technique that uses spiritual energy for balancing, healing and harmonizing the physical body, the mind, emotions and spirit so promoting a sense of well-being.

The practice part will focus on individual healing and healing others. The weekend includes yoga and meditation practice. No previous experience is needed.

The training on 23-25 April will cover both Reiki 1 and Reiki 2 and will include extensive practice.
